About this item

- ✓ **VERSATILE & CUSTOMIZABLE:** Easily set up to 8 on/off programs for the timer's two grounded outlets. Outlets are controlled simultaneously, and settings can be as short as one minute.
- ✓ **JUST SET & GO:** Choose your own individual days or simply select one of the convenient pre-set combination days. Switch to Daylight Savings mode with a press of a button.
- ✓ **WEATHERPROOF FOR OUTDOOR USE:** Cover provides protecting timer from weather conditions. Heavy duty material and two grounded outlet makes it safe and durable.
- ✓ **PROTECT YOUR HOME:** Activate the "Random" Vacation mode to randomize your programmed lights. Make your home look "lived in" even when you're away.
- ✓ **SAVE ENERGY & MONEY:** Save costs on electricity. Use for Christmas lights, fountain timers, patio and yard lights, as well as holiday decorations. (Not compatible with pool pumps) Our timer outlet is ETL listed. Rate Voltage: 125V, 60Hz, 15A Max, 1875W Resistive or General Purpose, 8A Tungsten Lamp, 1/2HP, TV-5. Note: Compressors may affect the rating of your appliance when being used with our products. Please ensure the BTU/hr on your appliance is compatible with our product.
